SAA STUDENT PAPER AWARD 2021: CALL FOR SUBMISSIONS

The Student Paper Award Committee from the Society of American Archaeology calls for student paper submissions for our annual competition. The student paper award recognizes the best student presentation of original research in a paper session at the SAA Annual Meeting.

THE PRIZE: The award winner or winners receives more than $1000 worth of books and other prizes. In addition, the awardee(s) are recognized by the SAA through a plaque, normally presented during the business meeting held at the Annual Meeting, a citation in *The SAA Archaeological Record*, and acknowledgment on the awards page of the SAA Website. All co-authors will receive the award.

The submission deadline is March 10, 2021.
Please submit your papers to John M. Marston, the Chair of the Student Paper Committee:

*Who Is Eligible to Submit Nominations or Apply for the Award:* All student members of SAA in good standing whose paper abstract has been accepted by the SAA for the upcoming annual meeting are eligible to participate. All co-authors must be students, and the first author must be a member of the SAA. All co-authors share the award.

*Nomination/Submission Materials Required:* The paper abstract must be accepted by SAA for the upcoming annual meeting. All co-authors must be students, and the first author must be a member of the SAA. The paper must be double-spaced, with 1-inch margins and 12-pt font, and follow SAA Style for citations and references. Please do not submit raw data unless they are to be presented as part of the paper itself. An average 15-minute paper is approximately 8 pages long (double-spaced, not including references cited). Any paper longer than this will be docked points.

The student must submit electronic copies of 1) a separate title page with name and full contact information; 2) an anonymized version of the conference paper containing slide call outs and references; and 3) pdfs of all PowerPoint slides, with numbered captions, to be used in the oral presentation. Please DO NOT put your name anywhere besides the cover sheet so that your paper may be reviewed anonymously by the committee.

The student must have a faculty or supervisory sponsor review the paper before the student submits it to the Student Paper Award Committee. The faculty/supervisory sponsor must send an email to the submission address at the time of paper submission saying that he/she has read and approved the paper being submitted.
