

SAIG/GSC ANNUAL LECTURE

Forgetting Sextus Pompey: The *bellum Siculum* & Virgil's *Aeneid*

Elizabeth Heintges
Columbia University

Virtual Via Zoom
Thursday, April 22, 2021
5PM EST
Registration Required!

This lecture is presented by the Student Affairs Interest Group of the Archaeological Institute of America and the Graduate Student Committee of the Society for Classical Studies. This annual talk is intended to highlight the work of a senior doctoral candidate whose research features interdisciplinary work between the fields of archaeology and classical philology, and to support the student networks between these related fields.
