EVERYTHING**

**A NEW HISTORY OF
HUMANITY**

**DAVID GRAEBER A
DAVID WENGROW**

Open Discussion of the New York Times Bestseller *The Dawn of Everything: A New History of Humanity* by David Graeber and David Wengrow.

We invite the larger community to learn more about the highly influential book that proposes provocative new theories on the origins of inequality, agriculture, fundamental social institutions, urbanism, and more. Attendees are welcome to pose critical questions to co-author David Wengrow and engage in a larger conversation concerning central issues in archaeology.
